

ARGENTAX CUTTEX 18 MM

NO. 46200

CLASSIC CUTTER. WITH AN 18 MM SNAP-OFF BLADE.

If you are looking for a mature cutter with a variable blade extension, the ARGENTAX CUTTEX 18 MM with a wide snap-off blade is a very good choice. Just like its narrow "brother," the ARGENTAX CUTTEX 9 MM, it fits very well into your hand. But it is not just useful for cutting cardboard boxes, cardboard or paper, but also adhesive and other types of tape. But be careful: it's better not to use a completely extended blade!

Order number

46200.00

Packaging unit
